"5 stars!!"

"An **excellent programme** run in an engaging format. The combination of Alex's energy, style and experience is unique."

"This is a **great course** regardless of what stage of mentoring you are at."

"Alex's training is **easy to use** with tangible advice and practical tips you can implement straight away."

**Effective mentoring benefits both mentee and mentor. This is a key part of the diversity and inclusion solution in STEM.**

Run by STEMazing Founder & CEO Alex Knight CEng FIMechE. Alex brings a wealth of experience from 20 years' in engineering and mentoring many other women, in addition to a Mentoring & Coaching qualification from the CMI. She developed this programme specifically to help people of all genders improve their effectiveness as mentors for women in STEM.

"Really valuable programme. My **confidence as a mentor** has increased and I felt I was much more effective with my mentee as a result."

"I'd never been a mentor before, but **the training was really helpful** and joining the group mentor circles meant I got ideas from other mentors too."
